Carcross Rock Climbing Wall

Is located in the school gym in Carcross. There are ~12 ropes on easy to diabolical climbs providing a healthy challenge for all. Participants learn basic climbing techniques, proper equipment use, knot tying, and belay skills. Participants set personal goals, learn new skills and make new friends. The final session will include a climbing competition.

The six sessions start on January 14th. Due to unpredictable weather some sessions may be postponed.

Parents are welcome to join us. This is an excellent way to learn the ropes with the goal of taking your family climbing on your own. Please contact us directly if this is of interest to you.

General Safety Practices

All of our staff hold current First Aid & CPR certificates, have experience working with children and youth, and have taken part in our extensive staff training. Group leaders carry a backpack containing a fully stocked first aid kit and climber information. Our staff to climber ratio is 1:6 maximum for any programs on the water and involving rock climbing. Other programs, such as games and land sports have a ratio of ~1:10. Our Staff always work in teams of two or three. All staff facilitating adventure programs have related qualifications, training and experience. Proper safety equipment for all of our programs is used and regularly inspected (i.e. certified rock climbing gear and helmets, PFDs, water rescue equipment, etc.)

Transportation

Transportation is provided by our 14 passenger van. All drop-off and pick-ups are in the Shipyards Park Parking Lot. Meet at 5:30pm; we will return by 9:30pm. Climbers & Parents **MUST BE ON TIME** for drop-off and pick-ups! If for any reason there is a last minute change of transportation arrangements for a climber, please leave a message at 867-334-3725 **BEFORE** the scheduled pick-up or drop-off time. It is the responsibility of the parent / guardian to supervise their child until the staff arrives.

What to Bring

- Backpack
- Snacks
- 1L bottle of water
- Indoor gym shoes and clothes
- A keen sense of Adventure!

About Equinox Adventures...

Equinox is dedicated to the belief that participating in adventure-based activities helps individuals and groups to build character, trust, communication, problem solving and leadership which in turn creates stronger communities. Our programs include rock climbing, zipline, experiential based teambuilding, canoeing, kayaking, geocaching, rappelling and ice climbing. All programs include highly skilled (& friendly) staff, quality equipment, innovative structures and dramatic locations.

Christopher Gishler is the Owner/Operators of Equinox. He has over 25 years of experience working in the camping and outdoor education field. His background includes working for the Canadian Outward Bound Wilderness School and teaching adventure education on high ropes courses and climbing walls that he has built throughout North America.

The goal of Equinox has always been to provide high quality adventure programs to the Yukon community and visitors. Tag lines over the years have included, 'Adventurous Programs for Adventurous People', 'Adventure is good for you', and 'Building Character through Adventure'

All the members of the Equinox Staff Team have extensive experience working with children in outdoor adventure programs. All staff members have current First Aid and CPR and have completed our staff training.

Registration

Please download the PDF version of our Registration form and then complete and return one REGISTRATION FORM, HEALTH FORM and WAIVER per climber.
